Week 10

Communion

Next Sunday we would usually be gathering in our sanctuary for communion. Because we cannot partake in that together this year, I invite you to make a freshly baked loaf of bread at home, pour some grape juice, and join us for worship next Sunday at 10:30am. This recipe below only needs 4 ingredients and is super simple to pull off a beautiful loaf (trust me, I tried it at home!)

Ingredients

- 3 cups flour
- 1.5 cups warm water
- ½ tsp yeast
- Pinch of salt

Directions

1. Mix Warm water with yeast until it dissolves. Add it into the bowl with flour and salt, and mix well.
2. Lightly flour counter and knead the bread until it forms a perfect ball. Oil your bowl and then place ball into bowl. Cover with tea towel and leave it to rise for 2-3 hours.
3. Pre heat oven to 425 F
4. Remove ball from bowl and put in and oven safe pot (I used a turkey roasting pan because that is all I had!). Shape into a ball and sprinkle with salt on top. Cover with a lid.
5. Cook in the oven for 30 minute, remove lid and cook for another 10.

If you would like to celebrate in your home before Sunday morning or at another point, listen to this [Communion at Home](#) service created by another Presbyterian Church.

As we enter into June, it looks like we have another beautiful week ahead. What better way to celebrate the warm weather than to get outside, have a campfire and make delicious smores! Look below for a prayer you can say while you make and eat your yummy creations! You could also use this as an opportunity to tune into one of [Camp Kintails Chapodcasts](#). You may not be able to go to Camp Kintail this year, but with a camp fire, smores and this kid friendly worship service, you will feel like you are there.

First Graham Cracker: Start by greeting God. You might say "Dear God," "Holy God," "Loving God," or "Creator." Use the name for God that helps you to pray.

Chocolate: God's love is sweet! Thank God for all the ways you feel God's love- the warmth of the campfire, delicious food to eat, the beauty of nature around you, and the time with your family and friends. Have each person around the fire share what they are thankful for.

Marshmallow: Life can get sticky, so we ask God for help. We make mistakes. Sad and scary things happen. Ask God to help you and other people. You might ask for healing for someone who is sick, forgiveness when you have made a mistake, peace for the world or anything! Share what you are praying for with those around the fire.

Final Graham Cracker: End your prayer with a group "Amen!"
